Rules of Competition

General

Athlete Age Eligibility

Entries for the Carnival will be accepted only for the age groups specified in the program, which includes athletes Under 9 and older (born in 2017 or earlier). Athletes eligible to compete may also enter events for an older age group; in such cases, the specifications for the older age group will apply.

Athlete Check-In

Each Age Group (except Opens) will be escorted by an Age Manager who will be supported by parents to conduct each event. Athletes are to meet at the designated event location after the event is called by the Carnival Announcer (no formal check-in).

Recording of results

Recording sheets for each field event are to be collected from the records office (below the photo finish) after the event is called. At the completion of events, the folder is to be returned to the records office.

Medals

Top three placegetters for each event will be awarded medals shortly after the conclusion of the event. An athlete competing up an age in an event is competing in that higher age group for the purpose of awarding medals.

Event rules

Unless stated in the Carnival Rules of Competition, the Capital Athletics Standard Rules of Competition apply.

Attire

All athletes competing at the carnival must be registered Athletes and must have their individual registration number for the 2025/26 season affixed to the front of their uniform top.

Track events

All track events are timed finals, with performances from all timed finals for each age combined to determine the overall places.

Starting blocks

Athletes U11 and above may use starting blocks for track events run entirely in lanes (i.e. 100m, 200m and 400m).

False starts

- U9 to U14 - Any athlete who, in the opinion of the starter or their assistant(s), commits a false start shall be warned. An athlete who commits two false starts shall be disqualified from the event.
- U15 to Open – World Athletics rules apply (i.e. any false start may result in disqualification).

Lane infringement

For all track events run entirely in lanes (i.e. 100m, 200m and 400m), each athlete shall keep within their allocated lane from start to finish.

The 800m will be run in lanes up to the 100m break point, at which time athletes can merge into the inside two lanes. Up to two athletes may start in each lane.

Footwear

Athletes must wear shoes for all events. Spikes must be removed before leaving the track.

Spikes

Athletes U9-U10 – must not wear spike shoes.

Athletes U11-U12 – may wear spike shoes for:

- Laned track events (i.e. 100m, 200m and 400m) (7mm max)
- Long jump, triple jump (7mm max)
- High jump and javelin (9mm max).

Athletes U13-Open – may wear spike shoes for:

- All track events (7mm max).
- Long jump, triple jump (7mm max)
- High jump and javelin (9mm max).

Woden Thunder Gift

The winner from each 100m age group is eligible to race in the Woden Thunder Gift. There will also be two Wild Card entries drawn from all other 100m entrants. The start position will be handicapped based on athletes 100m times.

Where an athlete cannot compete in the Gift despite being eligible, the next placed athlete from that age group becomes eligible.

Gift Prize money = \$500 for 1st, \$250 for 2nd, \$100 for 3rd \$50 for 4th and \$20 for all remaining competitors who race in the Gift.

Field Events

Number of attempts

U9-U14: One optional practice followed by 3 rounds.

U15-Open: One optional practice followed by 4 rounds.

For each round, athletes will have one throw/jump at a time in the order of competition as printed on the recording sheets.

For throwing events, markers will be used, with the best performance of each athlete measured and recorded.

For all field events, except high jump (which has its own rules), in the event of a tie for a placing, a countback will apply, with the next best mark determining the placegetters.

High jump

The bar will be raised in 5cm increments until four athletes remain, then 2cm increments. When only one athlete remains, that athlete may choose one additional height only.

In the event of a tie for a placing, a countback shall be applied (i.e. the athlete with the lowest total number of failures throughout the competition up to and including the height last cleared shall be awarded the higher place). If after countback there is still a tie, equal places will be awarded (i.e. there will be no jump-offs).

Starting heights will be as follows:

- U10 - 85cm
- U12 - 1.00m
- U14 - 1.10m
- U17 - 1.20m

Triple Jump

Take-off boards will be as follows:

- U11 - 5, 7 or 9m board
- U13 - 5, 7 or 9m board
- U15 and above – 7, 9 or 11m board

Event Clashes

Track events take precedence over field events.

Where a clash of events occurs, the athlete may leave the field event and upon return to the field event they join in the round that the event is up to (e.g. if other athletes are up to the third round then the returning athlete will join in that round even if they're out of order). No athlete is to have two or more consecutive attempts, nor can an athlete have an attempt that has been missed in a round.

For High Jump, where a clash of events occurs, upon return to the event the athlete re-joins the competition at the height of the bar that is being attempted when the athlete returns.

Protests

In the spirit of the carnival, no protests will be considered.
